New Accounts Processes

Prospect Wants to Setup New Account

Steps:

1. Confirm the prospect does not have an existing account. Search for the name of the company in Salesforce (Accounts). If they have an Account advise the prospect of the name of their Sales Rep and contact information.
2. Confirm the prospect does not have an existing lead. Search for the name of the company in Salesforce (Leads). If they have a Lead advise the prospect of the name of their Sales Rep and contact information.
3. If no existing Account or Lead then Create a Lead in Salesforce. When creating a Lead there are fields required to be completed: Contact/Owner Name, Company Name, Address, Phone Number, Email, State Pharmacy License #, DEA License #, Chain ID (select Masters), Lead Source (please note "Website" if the lead comes from our Graphics department), Primary Customer # (if applicable).
4. In Salesforce request a digital application to be emailed to the prospect.
5. Email the prospect a copy of the ACH Form or the *Reoccurring Credit Card Form*, depending on their preferred method of payment

Link to Create New Lead: [New Lead: Masters | Salesforce](#)

[Sales Team Check List](#) (see document: Sales Team Check List)

How Does Prospect Complete Digital Application

Steps:

1. Open email when received.
2. Only required documents are DEA and State Licenses.
3. Complete name and email (this is the email that will receive a DocuSign email). Recommended to use the name and email of the owner in all sections requesting a signature.
4. Last page of the digital application is not required.
5. DocuSign Email is sent in a separate email.
6. When the prospect goes back into the link after the application is submitted, the documents listed under Document Status are not required.
7. Each person that needs to sign will receive an email from DocuSign.

Account Information in Salesforce

Information to be added:

1. Customer contact information
2. Customer details
3. Web Users for Masters Website
4. Survey
5. Notes

Masters Pharmaceutical New Hire Onboarding Program

Checking The Status Of New Account Application Submitted

Steps:

1. Use the email confirmation link from DocuSign to verify that all steps have been completed by your prospect.
2. If everything is completed by your client, you may reach out to your manager or email MastersRCcredit@McKesson.com and inquire about the status of the application.

Prospect Did Not Receive DocuSign

Steps:

1. Verify the email addresses used by the prospect to complete the digital application. Advise the prospect that the DocuSign would have been sent to the email address provided for a signature. If multiple individuals provided signatures and email addresses on the digital application, then each individual will receive a DocuSign email.
2. Give the DocuSign email for the prospect to put in their search field in their Inbox and Spam Inbox. [DocuSign System <dse@docusign.net> On Behalf of Masters/River City Credit]
3. If the prospect still has not received the DocuSign email, the sales rep may email Mindy Stewart (MastersRCcredit@McKesson.com) and request the DocuSign email be resent.
4. If the prospect after being resent the DocuSign email still does not receive the DocuSign email, request approval to submit a paper application from Mindy Stewart (Mindy.Stewart@mckesson.com)

Submitting An Approved Paper Application

Steps:

1. After receiving approval to submit a paper application, email a copy of the paper application to your prospect.
2. Upon receiving the completed application and updated licenses you will need to attach them to the Lead created in Salesforce.
3. Once you are in the Lead, click on the drop-down arrow in the upper right-hand corner.
4. Change the Lead to "Qualified". Select "Credit Request". Then select "Paper Application". An option will appear to upload the file. Once you have uploaded the application, click submit.

Submitting A Reoccurring Credit Card (CC) For for New and Existing Accounts

Reoccurring Credit Card Form **must** be faxed to (972) 446-4424.

Masters Pharmaceutical New Hire Onboarding Program
